**The Vermont Central Railroad.**

The adjourned annual meeting of the Vermont Central Railroad First Mortgage Bondholders was held at the office of the Vermont Central Line, No. State Street. About 30 persons were present. Mr. J. M. Pinkerton presided. The first business was the annual report of the trustees of the first mortgage bonds, which was read by Ex-Jov. Smith, of Vermont. The report gives the receipts from the business of the road from May 31, 1867, to May 1, 1868, as \$1,788,406.35; expenditures, \$1,275,100.33; net earnings, \$513,306.02. The receipts from all sources during the year amounted to \$2,352,593.17; expenditures, \$2,155,650.86; cash on hand, \$196,933.31. The report detailed at considerable length the operations of the road during the past year, and its present condition. About 36 miles of new iron has been laid with about 130,000 cross ties. Four bridges, valued at \$40,000 have been lost by fire during the year. The loss was covered by insurance, however. There has been added to the rolling stock of the road, 150 freight cars, six passenger cars, and five locomotives. The business of the road has steadily increased, and Governor Smith said it was only to be estimated by the capacity of the road, since they had been compelled, for want of facilities, to turn away a large amount of business during the year. The tonnage of freight increased 33,000 over that of the previous year, and from May, 1868, to November, 1868, increased 40,000 tons. The destruction of the bridges increased the tonnage largely. By the increase of business at Burlington, the Company have been compelled greatly to enlarge their wharf room, and the plan has proved very remunerative. The experiment for the use of steel rails has been tried to the extent of 100 tons, and has resulted very satisfactorily, although the managers have not yet been convinced that, with the present rates of gold, they are economical when compared to iron. The report generally represented the affairs of the road in a very satisfactory condition. It was accepted and ordered to be printed.

The meeting then proceeded to the choice of two persons from the first mortgage bondholders, to form a Joint Advisory Committee, with one chosen from the second mortgage bondholders for the ensuing year, and Mr. L. Mills, of this city, and Mr. Staunton, of Philadelphia, were chosen a committee to receive, sort and count the votes. The ballot resulted in the unanimous choice of Mr. J. M. Pinkerton and Mr. Otis D.ury—\$539,400 worth of bonds being represented in the vote.

The meeting then adjourned, and immediately afterward a meeting of the second mortgage bondholders was held, and Mr. Wm. J. Caner, of Philadelphia, was chosen the member of the Advisory Committee on their part.—Boston Journal.

A FEW TESTIMONIALS.

TRUST, N. Y., June 12, 1868.

Dr. Gridley—This is to certify that I called on you at Plattsburgh, in September, 1867, to be treated for difficulties that have made me about helpless for the past ten years, namely, analgesia on each side of my limbs, with white swelling in and around my knee—which had defied the skill of our best physicians both in my town and in New York City. For the benefit of the public, I will state that I am perfectly cured, and have been attending to my business since March 1st, 1868. Hoping this may prove of benefit to you, I remain,

Yours most truly,

PATRICK HOORAN.

SAIGUITS, USTER CO., Oct. 20, 1868.

This is to certify that Dr. Obed Gridley has cured my daughter of Neuralgia and Erysipelas, after having been treated by several of the best physicians in our village without any success. I would cheerfully recommend the Doctor to the afflicted as a judicious and conscientious practitioner.

Yours most respectfully,

JOHN RICKARD.

PORT HENRY, ESSEX CO., N. Y.

Dr. Obed Gridley, Dear Sir:

I take much pleasure in informing you of the following facts, which I desire to be made known to the public for the benefit of those who are seeking relief. My wife, for the past seven years, has been suffering with Dropsy, Female Weakness, and Dyspepsia, during which time I have consulted some of our most eminent physicians, and received no particular benefit. I was urged to obtain an interview with you in regard to her case, and did so in August last, and became satisfied to have her follow your treatment. I am happy to notify you that she has been entirely restored to her former strength and health. Wishing you much success and prosperity. I remain, yours respectfully,

CHARLES LAPELL.

ISLELA MOTTE, VT., Jan. 5, 1868.

Dr. Gridley, Dear Sir:

My wife, for the past twelve years, has suffered beyond all account with Neuralgia, and also with general prostration of the nervous system. We have, during that time, consulted some of our most skillful physicians, and met with no particular success. I was very anxious to try all that lay in my power for her benefit, so I brought her to Plattsburgh to see you in the month of September, 1867. I am most happy to inform you that she has been improving ever since, and at the present time she is so much better that we both join in sending our thanks for the great benefit she has received by your treatment. Yours respectfully,

PETER FLEURY.

MAIORE, Jan. 13, 1868.

Dr. Gridley, Dear Sir:

I feel it a duty to return you my sincere gratitude for the restoration of my wife's health. In July last, she called to see you in relation to her situation, she having been sick for a long time, with lung and liver difficulties in connection with Catarrh and Female Debility. She was treated by you, and I am happy to state that she has improved beyond all expectations, and we consider her entirely cured. Wishing you much success and prosperity,

I remain yours truly,

IRA HUMPHREY.

POTSDAM, Jan. 16, 1868.

Dr. Gridley, Dear Sir:

For a number of years I have been suffering with the Heart Disease, Lung difficulty, and General Debility. Since your treatment of July, 1867, I have been gaining. Your invigorating medicines have given new vigor and tone to my whole system. I am stronger, heartier, and with larger capacity for labor, both mental and physical, than at any time during the past two years. I can truly recommend your mode of treatment to all who are suffering.

Respectfully yours,

ADDIE PATTEN.
